

DESKTOP LABORATORY ENCLOSURES

- Hybrid design with plastic and metal components
- Plastic components manufactured high quality ABS
- Electrostatic powder painted 1.5 mm aluminum outer body
- Easy mounting option thanks to galvanized sheet metal with holes inside the enclosure
- Optional handles give 15 degree angle to the enclosure
- Optional folding feet provides angled stance
- Optional steel spring carrying handle eases carrying
- Used in laboratory, medical measurement and control systems, suitable for education sets, and power supplies
- Customer-specific panel cuts adapted for the requirements
